Dear Mr. Wilkinson:

The Division of Oil, Gas and Mining has amended your Notice of Intention to Commence Small Mining Operations (NOI) to reduce the permitted disturbed area from 10 to 6 acres. Cessation Order MC-2014-60-01 is terminated effective September 22, 2012. You may resume mining activities. Please keep in mind that you are permitted to conduct small mining activities on no more than 6 acres under the \$36,900 surety bond that was submitted. Any additional acreage proposed for mining will require an increase to the reclamation surety. Enclosed please find a copy of the approved updated page to your NOI.

Please contact April Abate at 801-538-5214 or me at 801-538-5261 if you have questions or concerns regarding this letter.

Sincerely,

Paul B. Baker
